Medtronic ovesco Innovation in scope

Endogastro LIVE IFRED

● 3 FRENCH EVENINGS OF ENDOSCOPY CASES, with, each evening, a mix of:

- ▶ **Everyday endoscopy:** the educational aim is to help as many people as possible to improve their skills in everyday endoscopic procedures (colonoscopy, polypectomy, digestive bleeding, etc.)
- ▶ **Expert procedures:** the aim is to pass on to therapeutic endoscopists all the tips and tricks that can simplify these difficult procedures, help young gastroenterologists who are training in therapeutic endoscopy and attract the curiosity of other gastroenterologists about the growing importance of therapeutic endoscopy techniques
- ▶ **Innovations:** the aim is to present and discuss the role of technological innovations that are skyrocketing in the field of endoscopy

● SCIENTIFIC PRESENTATIONS on the subjects covered during the endoscopy broadcasts

● 6-MONTH REPLAY of all sessions

FREE REGISTRATION AT

www.endogastrolive.com

Registration open
from December 1, 2023
