LIVE Endoscopy

in French

Everything from diagnostic endoscopy to the latest interventional endoscopy techniques!

The ESD journey!

1 international evening in English

One address only: www.endogastrolive.com

PRACTICAL, REAL-LIFE TEACHING

- ▶ Live video demonstrations
- ▶ Live moderation with our national experts and operators
- ▶ Scientific presentations

Endogastro
LIVE **IFRED**

- **3 FRENCH EVENINGS OF ENDOSCOPY CASES,** with, each evening, a mix of:
 - ▶ Everyday endoscopy: the educational aim is to help as many people as possible improve their skills in everyday endoscopic procedures (colonoscopy, polypectomy, digestive bleeding, etc.)
 - ▶ Expert procedures: the aim is to give therapeutic endoscopists all the tips and tricks that can simplify these difficult procedures, help young gastroenterologists who are training in therapeutic endoscopy and attract the curiosity of other gastroenterologists about the growing importance of therapeutic endoscopy techniques
 - ▶ Innovations: the goal is to present and discuss the role of skyrocketing technological innovations in the field of endoscopy.
- **SCIENTIFIC PRESENTATIONS** on the subjects covered during the endoscopy broadcasts
- **6-MONTH REPLAY** of all sessions
