5th Edition

Welcome to EUS Skyline: from diagnostic to therapeutic

The 5th Edition of EUS Skyline marks a new way of experiencing live endoscopy

On December 4, 2026, EUS Skyline returns as the global live meeting point for the most advanced diagnostic and therapeutic endoscopy, bringing together EUS, ERCP and the full spectrum of hepatobiliopancreatic (HBP) procedures into one continuous, real-time experience.

Over the years, **HBP endoscopy has evolved** into a discipline that requires simultaneous mastery of EUS and ERCP. **EUS Skyline is where this integration is performed**, discussed, and experienced live by a worldwide audience.

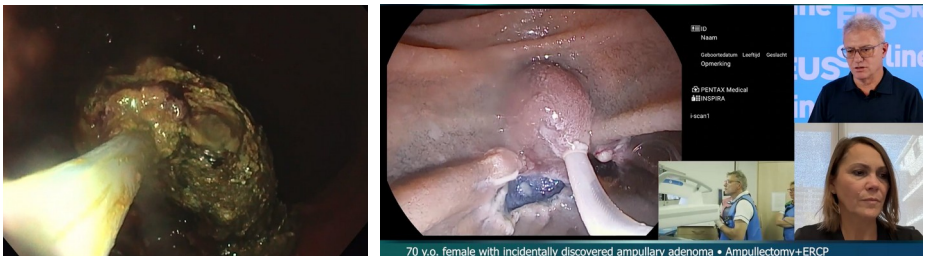

Throughout 14 hours of uninterrupted live cases transmitted from leading centers across the globe, participants will follow complex procedures, clinical decision-making, and expert discussions.

2026 marks an important evolution. **EUS Skyline introduces new, immersive ways of experiencing the event**, designed to bring participants closer than ever to the procedures, the experts, and the clinical reasoning behind every action.

Backed by a world-class faculty of pioneering experts, EUS Skyline 2026 is a global, shared, live endoscopic experience.

Join colleagues from over 120 countries and become part of a worldwide community connected in real time by innovation, expertise, and clinical excellence.

Alberto Larghi Schalk van der Merwe

SAVE THE DATE
December 4th, 2026 – from 8 am to 10 pm CET

Hosting & Coordination Centers

Main Broadcasting and Coordination Hub

 **Italy - TBD**
Endoscopy Unit, TBD

European Connected Hub

 **Belgium – UZ Leuven**
University Hospitals Leuven
Gastroenterology & Hepatology Department
Campus Gasthuisberg, Leuven

Program

07:30 am Pre-Show: Waiting for EUS Skyline 2026

08:00 am **Welcoming address from the Course Directors**
Alberto Larghi and Schalk van der Merwe

08:10 am – 11:00 am

Horizon Session

08:05		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
08:45		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
09:15		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
09:35		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
10:00		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
10:30		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center

 = moderator

11:00 am – 02:20 pm

Zenith Session

11:00		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
11:30		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
11:50		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
12:10		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
12:35		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
01:15		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
01:40		EUS and ERCP in 2026: evolving roles in HBP endoscopy A high-level international roundtable discussing the most relevant clinical and technical evolutions of 2026 in hepatobiliopancreatic endoscopy, bringing together different perspectives from experts across the world.	
02:10		Morning Insights Q&A A dedicated question-and-answer session focused on the cases and topics presented during the morning live demonstrations. with Alberto Larghi and Schalk van der Merwe	

11:00 am – 06:25 pm

Summit Session

02:20		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
02:50		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
03:10		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
03:40		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
04:10		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
04:40		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
05:10		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center
05:30		Women Shaping Endoscopy The future of interventional endoscopy: expert perspectives. An international panel of leading endoscopists discussing how advanced procedures, training, and decision-making are evolving in modern HBP practice.	
06:00		EUS LIVE PROCEDURE <i>followed by discussion</i>	Case performed in a leading international endoscopy center

06:25 pm – 10:00 pm

Finale Session

06:25  **EUS LIVE PROCEDURE** Case performed in a leading international endoscopy center
followed by discussion

07:05  **EUS LIVE PROCEDURE** Case performed in a leading international endoscopy center
followed by discussion

07:35  **EUS LIVE PROCEDURE** Case performed in a leading international endoscopy center
followed by discussion

08:05  **EUS LIVE PROCEDURE** Case performed in a leading international endoscopy center
followed by discussion

08:35  **Artificial intelligence in endoscopy training: from assistant to expert**
A special interactive session demonstrating how artificial intelligence in endoscopy has evolved during 2026, including the development of a virtual assistant capable of supporting education, clinical understanding, and real-time learning with human-like interaction

09:05  **EUS LIVE PROCEDURE** Case performed in a leading international endoscopy center
followed by discussion

09:30  **EUS LIVE PROCEDURE** Case performed in a leading international endoscopy center
followed by discussion

09:55 **Conclusions and Event Recap**
Alberto Larghi and Schalk van der Merwe

Timeline Summary

- 08:00 am
Welcoming address from the Course Directors
Alberto Larghi and Schalk van der Merwe
- 08:10 am – 11:00 am
